

# Using heroin or opioids and want to stop? We can help.

## Medication Assisted Treatment (MAT) for opioid use disorder

- Buprenorphine (Suboxone, Subutex, Zubsolv)
  - Naltrexone (Vivitrol, Depade, ReVia)
  - Referrals (to IOP or inpatient treatment)

**Ready to get started? Questions?**

Contact our MAT team at 312-590-2291 at any time.

## Additional services

- Primary care regardless of insurance, with sliding scale fees
  - Discounted prescriptions at most local pharmacies

We provide health care for the whole person: primary care, behavioral health, supports for people with chronic illness, and much more.
